1. Minimum 3 independent competitive bids submitted.
2. Environmental, Social, and Governance (ESG) rating score of at least 70 out of 100.
3. Active ISO 27001 Information Security Certification.

2. PENALTY & COMPLIANCE VERIFICATION FORMULA

Tender Approval Status = (Bids_Count >= 3) AND (ESG_Score >= 70) AND (ISO_Certified == True)

If any parameter evaluates to False, the procurement requisition is rejected automatically.
